THE NEW FEATURES

DR. TAYLOR TELLS OF IMPROVEMENTS TO BE MADE.

TO COMPLETE BY APRIL 27

It is Expected Building Will Be Ready for Dedication at Time of Track Meet.

Dr. H. K. Taylor, president of the Normal school, in talking to a representative of the Democrat-Forum Monday said: "Prospects for the Northwest Normal school were never brighter. While the appropriation by the legislature is not what was asked for it will enable the school to make some decided advancements."

Dr. Taylor discussed some new plans that will be carried out in the school. Along this line, he said:

"The Training School will be strengthened, a Manual Training Department added, also a Music Department, a Kindergarten Department and other additions to the teaching force will be made. A special course for rural school teachers will be offered by the time of the summer quarter. A business course will probably begin with the summer quarter. Plans are now forming by which the dormitory need can be temporarily supplied and meals furnished at a price that will be a great attraction. "It is confidently believed that in the near future the old seminary ground can be sold and the proceeds put into a splendid dormitory for girls."

"Steps will be taken at once to equip the gymnasiums, literary society and Christian association halls, and add to the equipment of every other department of the school."

"The agricultural station work will be pushed and this department is already a drawing feature. Extension work will be done all over the district. It is hoped that the new building can be completed so as to have the dedication, the track meet and the Northwest Missouri Teachers' Association all at the same time, April 27 to 29."

"This year the school will issue a handsome catalog—a thing it has not been able to do for two years for lack of money."

"It is likely that the school paper, the Normal Index, will be converted into a 32 page quarterly. Things are moving and the Normal is coming to its own. A united community sentiment that is being felt in its influence is having a fine effect all over the district."

IT WAS A SUCCESS

THE PASSION PLAY AT ST. MARY'S SUNDAY NIGHT.

FROM EDEN TO ASCENSION

The Bible Story as Told in Music and Pictures Will Be Repeated Wednesday Night.

The "Passion Play of Oberammergau," presented by the company of Dr. John H. Scherer, LL. D., in St. Mary's church, Sunday evening, was an instructive, interesting and altogether unique production, replete with beauty and historical interest.

It consisted of a great number of scenes from both the Old and New Testaments, illustrated in stereopticon slides and moving pictures, so arranged that each principal event in the New Testament was preceded by its forerunner in the Old Testament.

These views were accompanied by an explanatory lecture and sacred songs, appropriate to the various occasions.

The entertainment opened with the baritone solo "For the Sins of Man-kind," from Rossini's "Stabat Mater," which announces the reason for the birth and suffering and death of the Redeemer.

This was followed by a short history of the Passion Play views and pictures of the principal characters of the play.

Then was shown the "Fall of Man," the principal events of the Old Testament, and through to the incarnation, nativity, the principal miracles, Triumphal entry into Jerusalem, to the last supper, arrest in the Garden of Olives, trials before the holy synod and the Roman governors, the scourging and crowning with thorns, then step by step the long weary way to the summit of Calvary, the agonizing death, lonely burial, the glorious resurrection and ascension. In addition to these there were many views of the world's most famous masterpieces of Christian art.

The music for the occasion was rendered by the organist and choir of St. Mary's church, under the able leadership of Mr. Noah Thompson, one of our well known musicians, assisted by the company's soloist, Mr. John Schmiedeler, an operatic tenor, whose parents were residents of this city in the early days, and are still well remembered by many of our old settlers. The exhibition will be repeated Wednesday evening at 8 o'clock in St. Mary's.

REVIVAL MEETINGS TO CONTINUE THIS WEEK

The revival meetings at the M. E. church, South, will continue throughout this week, and the pastor, Rev. W. J. Parvin, will be assisted by Rev. J. J. Reed of the M. E. church, South, of Agency, Mo. Rev. Reed is one of the best ministers in this district, and was a delegate to the general conference last year. Meetings held at the church Sunday were well attended and interest seems to be strong.

NOW A GRAND JURY

ONE SUMMONED AND IS NOW BUSY AT WORK.

WAS QUITE A SURPRISE

Violations of Local Option Laws and Gambling to Be Taken Up By Grand Jury.

The Grand Jury.

Thomas Wallace, foreman, Clearmont.
J. R. Brink, Maryville.
J. F. Montgomery, Maryville.
C. C. Trapp, Graham.
James Surplus, Parnell.
J. C. Spahr, Skidmore.
W. L. Gray, Ravenwood.
Charles Lamar, Elmo.
Charles Beaver, Elmo.
John Sewell, Burlington Junction.
William Miles, Hopkins.
James Campbell, Barnard.

The above are the members of the grand jury that was summoned and appeared in court Monday afternoon. It was thought by many that there would not be a grand jury at this term of court, and one wasn't in sight when the February term convened, a week ago. But the officials, keeping the matter very quiet, summoned the jury before very many knew about it.

The grand jury, after hearing the charge from Judge Ellison, retired to their room, or the county court room, and commenced at once their work. A number of witnesses had already been subpoenaed from over the county, and were examined this afternoon by that body.

The principal work of the grand jury will be the taking up of the many violations of the local option law and gambling over the county, especially in certain sections.

Judge Ellison, in talking to the jury Monday afternoon, said:

"Gentlemen, you may summon anyone you please, and any witness that refuses to answer a question that you deem is necessary, bring the question written on a paper up to the court, and if a proper one, and the witness still continues to refuse to answer, the court will be compelled to send him to jail. Be thorough and searching in your examinations of the witnesses."

"I understand that there are irregularities in certain portions of the county, one being the violation of the local option law and the other gambling. These two vices cause sevenths of the crime committed in the world."

Tom Wallace was selected by the court as foreman of the jury, and a clerk will be selected so as to take down the testimony of the witnesses that will appear.

MR. POPE IS VERY ILL OF ERYSIPELAS

T. C. Pope, the proprietor of the County Seat hotel, is critically ill of erysipelas, affecting his head and face, entirely. Mr. Pope has been under the care of Dr. K. C. Cummins since about the 5th of February, when he was attacked early one morning during the Rascos trial by two drunk men, who insisted on going to a room already occupied. When Mr. Pope attempted to give the police alarm he was struck by one of the men on one side of his head, cutting one ear and making a gash that required several stitches. Dr. Cummins was intending to take him to the hospital for more thorough treatment Sunday, when erysipelas developed, which barred his admittance to the hospital.

Mrs. Stephen Parker and her sister, Miss Hazel Glenn, of Stanberry were shopping in the city Monday.

Miss Laura Ball of Hopkins, who has been visiting the families of R. T. Hantz and W. T. Cabbage, returned to her home Monday.

NO CLUES AS TO RAVENWOOD ROBBERS

No clues have as yet been found of the party or parties that robbed the Ravenwood stores Thursday night, by the authorities here. Two men were arrested in Kansas City Saturday under suspicion, but they were later turned over to the police at Chillicothe, being wanted there on a charge of burglarizing a store. A man giving his name as E. W. Roach was arrested at St. Joseph Saturday, being suspected of being one of the robbers of the Ravenwood stores. He was later released, however.

IN INTEREST OF GIRLS' RESCUE HOME

Mrs. Captain Smith of the Salvation army of St. Joseph was in Maryville Saturday in the interest of the Girls' Rescue Home of that city. She is visiting the county seats and seeking to secure the interest of officials in regard to girls subject to the reform school, and asking them to send the girls to the Army's Rescue Home instead, in order that they may have full chance for self-reclamation without the stigma of a reform school sentence.

"AUNT BETSEY" WON

JURY GAVE A VERDICT FOR \$30 DAMAGES.

SISSON WILL CASE UP

And Settled—O'Donnell Will Case Continued by Agreement to Next Term.

When circuit court convened Monday morning, the first case called for trial was Hanson Sisson against Charles F. Sisson, David Sisson and F. L. Stutesman, to set aside the will of John W. Sisson, who died in Parnell, on March 16, 1910. The paper purporting to be a will bequeathed that nothing be sold, either the farm or the live stock, as long as the deceased's unfortunate brother, David Sisson, shall live. After the death of David Sisson the property is to be divided among his two sons, Hanson and Charles Sisson.

David Sisson was adjudged to be of unsound mind and incapable of managing his own affairs in probate court Saturday afternoon by a jury, and the probate judge appointed Charles F. Sisson guardian of David Sisson.

The case was settled when court convened Monday afternoon by the two sons, David and Hanson Sisson agreeing to give to their uncle, David Sisson, forty acres of land and a house during his lifetime.

The O'Donnell will case, which was docketed for Monday, was continued by agreement.

WOMAN ROBBED OF \$130,000 IN GEMS

Former Wife of Marshall Field, Jr., Loses Fortune in Jewels.

NO CLUE FOUND TO THE THIEF

Theft Occurs in Amerika Stateroom During Night and Woman Arises Early to Find Gems Gone—Passengers' Baggage Searched—Clues Fail.

New York, Feb. 27.—Mrs. Malvina Drummond, formerly Mrs. Marshall Field, Jr., of Chicago, was robbed of a fortune in jewels aboard a transatlantic liner. Diamonds, pearls and other gems to the value of approximately \$130,000 disappeared from her stateroom on the steamship Amerika of the Hamburg-American line some time between 9:30 p. m. and 5:30 a. m.

The loss was reported immediately after the liner docked at Hoboken and the police of Hoboken and New York are working on the case. Mrs. Drummond hurried to the Hotel Plaza, declining to discuss her loss. The Hamburg-American line disclaims all responsibility on the ground that passengers leave jewels in their staterooms at the owner's risk.

To the police Mrs. Drummond described the missing jewels as follows: One string of 283 pearls; one large black pearl ring set with diamonds; one large white pearl ring set with diamonds; one pair large pearl earrings set with diamonds; one black pearl brooch set with diamonds, with diamonds, with a black pearl, pea shaped pendant.

No Trace of Jewels.

A wireless message sent from the Amerika as it neared port summoned detectives down the bay in a tug. They learned from Mrs. Drummond details of the theft and began a combing of the ship and a search of the crew. But not a trace of the jewels was found.

Mrs. Drummond explained that, except at night, she had worn the jewels almost constantly on her person, but had kept them under her waist and had not displayed them at any time, even while dining. On retiring she placed them in a cabinet drawer of the stateroom as she had done each night during the voyage. No one had access to the stateroom, she added, besides her husband, herself and her maid. The maid she holds above suspicion.

Arising early to make her toilet before the liner docked, she was started to find the drawer empty. The captain was notified and a quiet investigation was begun before an aerogram called police authorities on shore. As not a clue was developed, however, the customs authorities were appealed to, and under the guise of baggage inspection everyone's luggage was sifted thoroughly, but so far as could be learned not even a suspicion was unearthed.

ROB WOMAN EXPRESS AGENT

Bandits Take \$10,000 From Mrs. Gus Joseph at Fuller, Kan.

Pittsburg, Kan., Feb. 27.—Mrs. Gus Joseph, postmaster at Fuller, a coal camp near here, was held up by two highwaymen and robbed of \$10,000, which she had just received by express from Kansas City. The money was to have been used to pay off the employees of the Sheridan Coal company here. The money was in one package. Two other packages containing \$10,000 each were not found by the robbers.

The money was sent from Kansas City on the Kansas City Southern. There was \$30,350 in all the three packages. The train arrived at 6:30 and was met by Mrs. Joseph and Albert Briggs, cashier of the company. The money was consigned to an express company, of which Mrs. Joseph is agent.

Mrs. Joseph took a package containing \$10,523 and left the depot first. As she stepped out of the door a masked man with a revolver confronted her and demanded the money. Another robber stood near by. Mrs. Joseph handed over the money. Briggs, who was close behind, saw what was going on and threw his two packages containing \$10,000 into a corner. The robbers ran to a buggy and escaped.

No. 2—The Lupton Meadows land is the cream of the Greeley district and is only twenty-nine miles from Denver, the greatest market in the West, and in a thickly settled section. You are in no sense a pioneer.

No. 16—You are dealing with a rail-

road land company. We are after tonnage for our railroad. This insures absolute fair dealing, as the company is in the business to stay, and your success is our success.

No. 17—Coal can be obtained at the mines near by, from \$1.50 to \$2.50 per ton.

No. 20—For honest and fair dealing we refer you to any bank or trust company in Denver.

Would these prominent people recommend a remedy that had not proven reliable?

Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement?

No stronger proof of merit can be had than cures that have stood the test of time.

The following statement should carry conviction to the mind of every Maryville reader.

G. S. Kemp, R. F. D. No. 1, King City, Gentry county, Mo., says: "I give Doan's Kidney Pills my endorsement and I willingly confirm the statement I made in their favor some years ago. This remedy has been of great benefit to me and I advise other kidney sufferers to give it a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

WHY LOOK OLDER THAN YOU ARE?

SOME PEOPLE ALLOW THEIR HAIR TO BECOME GRAY BEFORE IT SHOULD.

Gray hair is a mark of age, and nothing that can be said as to its beauty will effect the disadvantage of this mark of age set upon your brow.

Wyeth's Sage and Sulphur Hair Remedy darkens the hair and restores it to its youthful beauty. Our grandmothers and their grandmothers before them used Sage and Sulphur for darkening their hair. Nothing has ever been found more effective for this purpose than these two time-honored remedies, but Wyeth, a modern chemist, has combined the two with other ingredients which make a delightful dressing for the hair, and which not only remove every trace of dandruff but promote the growth of the hair as well.

All druggists are authorized to refund the money if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

FOR CONSTIPATION.

A Medicine That Does Not Cost Anything Unless It Cures.

The active medicinal ingredients of Rexall Orderlies, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c and 10c. Sold only at our store, the Rexall store. The Great-Henry Drug Co.

IMMIGRATION FRAUDS FOUND

Federal Officers Arrest Crew of
Greek Trans-Atlantic Liner.

ALIENS ALLEGED SMUGGLED IN

Officials Assert Aliens Rejected at Ellis Island Are Members of Ship's Crew to Hide Their Identity—Trial Is Set for March 1.

New York, Feb. 27.—Federal officers boarded the Greek trans-Atlantic liner Athinal and arrested twenty-nine members of its crew, charged with conspiracy to violate the United States immigration laws. Those arrested include every one in authority—from captain down—as well as the resident agent of the company here. The steamer belongs to the Hellenic Trans-Atlantic Steamship company. The government charges that the company has been smuggling in aliens for more than a year, some of them disguised as members of the crew, others hidden about the ship until there was no danger of search.

Nikolas A. Galanos, the agent, was released under \$20,000 bonds and his confidential secretary in the sum of \$15,000. Captain Kouras was released under \$10,000 bail, as were his first officer, chief engineer and Dr. Diakavatos, the ship's surgeon. Three other officers were held in \$10,000 bail each and each of the sixteen members of the crew in \$5,000. In all the government required \$195,000 bail. Judge Chatfield, sitting in the United States circuit court, before whom the indictments were read, set trial for March 1. The penalty for conspiracy is \$10,000 and two years' imprisonment, either or both, and for violating section 8 of the immigration laws, \$5,000 and two years, either or both.

A field agent of the immigration bureau at Washington, who worked up the case, had seventy-six names on his list, but only twenty-nine could be found on the Athinal when he boarded it at quarantine. No arrests were made until the ship moored in Brooklyn.

The passengers were taken off with out fuss, and federal officers then searched the ship, arresting those wanted who could be found. The government expects to prove that when aliens were rejected at Ellis Island, it was possible for many of them, by a payment of \$40 to \$80, to enlist as members of the crew, or else to take passage and when the ship arrived to avoid inspection either by hiding or appearing on the ship's muster.

Women were passed off, it is said, as stewardesses. The Hellenic Steamship company has been in trouble on similar charges before.

BALLOON LANDS NEAR GOWER

Snowstorm Compels Aeronauts to Throw Out Ballast and Descend.

St. Joseph, Mo., Feb. 27.—The balloon Miss Sophia, which left San Antonio, Tex., Friday, landed on a farm near Gower, Mo.

The balloon was in charge of W. E. Assmann and J. M. O'Reilly, St. Louis aeronauts. They were tossed about in a severe snowstorm above the clouds for ten hours before landing. The airship traveled 800 miles. The aeronauts were attempting to lift the Lamm cup for long distance flight.

Though several times the balloon attained an altitude of 14,000 feet, the aeronauts suffered but little from the exposure. When they ran into the storm they were forced to throw off ballast and they worked in the snow in their shirt sleeves tossing the hand bags overboard. The storm made it impossible for them to tell in what direction they were going. For a time they thought they were over Oklahoma. They decided that they might be sailing back toward Texas. They kept on dropping ballast and they came down on the Gray farm in an open field, a quarter of a mile from Gray's house.

CHICAGO FACES BIG STRIKE

Allied Trades May Be Called Out and Building Operations Tied Up.

Chicago, Feb. 27.—Chicago is again faced with a strike which threatens to involve thousands of workmen and may tie up the entire building industry. With a meeting between James A. Short, president of the building trades department of the American Federation of Labor; John R. Alpine, international president of the United Association of Plumbers, Gasfitters and Steamfitters; and Simon O'Donnell, local president of the Building Trades council, it was predicted that the allied trades would be called out against the steamfitters that have been ousted from the building trades council. This will mean a complete tieup of building construction.

Voice Heard at Own Funeral.
Owosso, Mich., Feb. 27.—A phonograph furnished sacred music at the funeral in the Methodist Episcopal church of William Henry Faxon, a nonagenarian who lived near here. The records used were made for the funeral by Mr. Faxon when he was eighty-eight years old. Up to the time of his death he had an excellent tenor voice and was prominently identified with church work.
